Experience

Research Assistant | Reykjavík University | Fall 2018 -

- Creating a sport and health data platform in Django and React in cooperation with the Sports Science Department.
- Automatically gathering consecutive and single measurements and visualizing the data.

Developer | Regla ehf / Fakta ehf | Summers of 2017 and 2018, part-time 2018-

- Created the company's first cross-platform mobile app (Xamarin Forms), available on android and iOS.
- Created a responsive website (ASP.NET) with some of the company's features as well as implementing new ones that required adopting all layers.

Math teacher | Mímir símenntun | Winter 2019-2020

- Teaching math at a high school level for individuals returning to school along with my dad. Part-time remotely due to circumstances.

Personal assistant | NPA miðstöðin | 2014-2015

- Duties included assisting a paraplegic person that is deaf-blind with everyday life. Used tactile signing to communicate with her on a daily basis.

Sailing coach | Brokey - Reykjavík Yacht club | 2012-2015

- Taught beginners to sail in the summer. I held courses at the sailing club alongside two other employees.

Education

MSc in Software Engineering | University of Reykjavík | 2018 -

Doing a part-time MSc while working on a research project.

BSc in Software Engineering | University of Reykjavík | 2015 - 2018

Exchange student at Aarhus University during fall 2017.

Matriculation exam | Commercial College of Iceland | 2010-2014

Focus on math and physics.

Activities

- Blog writer at lostincode.blog with two other Computer Science graduates.
- Secretary of the board for Brokey - Reykjavík Yacht club (2019)
- Member of the board in /sys/tur (2016-2017) an organization for female students at the computer science department at Reykjavík University.
- Teacher Assistant at Reykjavík University, Calculus II. Helped students with homework assignments and graded the course.
- Final examination on classical trumpet in 2014 from Tónskóli Sigursveins. Played with The Iceland Symphony Youth Orchestra.

Honors/ Awards

- New-students' scholarship at Reykjavík University when I started my BSc studies.
- After the second and fourth semesters in my BSc, I was a dean's list recipient.
- Been chosen female sailor of the year in Iceland nine times.
- Award from Reykjavík city for good educational success and social skills in 2007.
