## Languages

English (Fluent)

Icelandic (Native)

Danish (Intermediate)

## Education

MSc in Software Engineering | University of Reykjavík |  
2018 -

Doing a part time MSc while working on a research project.

BSc in Software Engineering | University of Reykjavík |  
2015 - 2018

Exchange student at Aarhus University during fall 2017.

Matriculation exam | Commercial College of Iceland |  
2010-2014

Focus on math and physics.

## Experience

Research Assistant | Reykjavík University | Fall 2018 -

- Creating a sport and health data platform in Django and React in cooperation with the Sport Science Department.
- Gathering consecutive and single measurements in a more automatic way and giving athletes better access to the data.
- Analysing and visualising the data.

Developer | Fakta ehf | Summers of 2017 and 2018,  
part time 2018-

- Created company's first multiplatform mobile app (Xamarin Forms).
- Created more mobile friendly website (ASP.NET) with some of the company's features as well as implementing new ones that required adopting all layers.

Personal assistant | NPA miðstöðin | 2014-2015

- Duties included assisting a paraplegic person that is deaf-blind with everyday life. Used tactile signing to communicate with her on a daily basis.

## Activities

- Member of the board in /sys/tur (2016-2017) an organization for female students at the computer science department at RU.
- Teacher Assistant at Reykjavík University, Calculus II. Helped students with homework assignments and graded the course.

- Blog writer at [lostincod.blog](http://lostincod.blog) with two other Computer Science graduates.
- Secretary of the board for Reykjavík Yacht club – Brokey (fall 2019)
- Co-teacher for two math courses at Mímir (college, fall 2019)

## Honors/ Awards

---

- New-students' scholarship at Reykjavík University when I started by BSc.
- After the second and fourth semester in my BSc, I was a dean's list recipient.
- Been chosen female sailor of the year in Iceland eight times.
- Award from Reykjavík city for good educational success and social skills in 2007.
